

Discovery Camps

Discovery Camps at the Bay Area Discovery Museum are summer as it should be. At Discovery Camps, our open-ended approach supports cooperative learning, builds creativity, and most of all, promotes an experience that brings together education and fun.

New this year: Full Day Camps! Camp days are longer this year (9am-4pm) – offering more time for fun and exploration! Per Marin Health Department guidelines, this year's Discovery Camps will be offered in three-week sessions.*

Learn more about the COVID safety measures BADM is taking at [BADM.org/Camps](https://www.badm.org/camps).

Pricing (all pricing per 3 week session)**

Big Discoveries Preschool Camps:

\$1,200 for half day camp and \$1,800 for full day camp.

TK – 4th Grade: \$1,710 Junior Counselors: \$675

Preschool:

Big Discoveries: Preschool Camp Science, Art and Nature

**Session 1: June 14 – July 2, Session 2: July 5 – 23,
Session 3: July 26 – August 13**

Preschoolers will explore the world around them through hands-on experiences with science, nature, and art.

Half Day (9 a.m. - 1 p.m.) and full day (9 a.m. - 4 p.m.) options available.

5th - 9th Grade:

Junior Counselors

The Junior Counselors program is a perfect way for older children to experience BADM Discovery Camp. As Junior Counselors, fourth through ninth graders will spend the week supporting and assisting their lead teacher, while developing leadership skills and exploring teaching strategies.

*Session 4 is a 2-week session; prices are prorated accordingly **Scholarship opportunities available, visit [badm.org/camps](https://www.badm.org/camps)

TK and K

Art Outside the Box

Session 1: June 7 – 25, Session 2: June 28 – July 16, Session 3: July 19 – August 6, Session 4: August 9 – 20
Campers will explore the world around them and create artwork that reflects what they see, feel, and experience in the natural world.

Natural Explorers

Session 1: June 7 – 25, Session 2: June 28 – July 16, Session 3: July 19 – August 6, Session 4: August 9 – 20
Campers will assume the role of junior naturalists as they explore the plant and animal life of Fort Baker and engage in activities like bird watching.

Planes, Trains, and Boats

Session 1: June 7 – 25, Session 2: June 28 – July 16, Session 3: July 19 – August 6, Session 4: August 9 – 20
After campers learn about all things planes, trains, boats and cars, they use Think, Make, Try®, BADM's dynamic engineering design process to design their own new modes of transportation.

Fort Baker Makers

Session 1: June 7 – 25, Session 2: June 28 – July 16, Session 3: July 19 – August 6
Tools, tinkering, and tech, oh my! This introduction to making and tinkering explores a variety of tools, including visits to BADM's brand new Try It Studio.

Mysteries of Science

Session 1: June 7 – 25, Session 4: August 9 – 20
Campers explore the world of chemical reactions, code-breaking, invisible ink and more as they form hypotheses, conduct experiments, and draw conclusions from the evidence they uncover.

1st-3rd Grade

Limitless Art

Session 2: June 28 – July 16, Session 3: July 19 – August 6, Session 4: August 9 – 20
Young artists dream big. Each week campers will experiment with new materials and create their own masterpiece.

Outdoor Adventures

Session 1: June 7 – 25, Session 2: June 28 – July 16, Session 3: July 19 – August 6, Session 4: August 9 – 20
Through exploration of Fort Baker, campers will learn key outdoor survival skills, such as how to find and make clean drinking water, what can be used to build forts and other shelters and which plants are safe to eat.

NEW! Tinkering Around the Bay

Session 4: August 9 – 20
This maker camp gives campers a taste of 3 different digital tools: laser cutter, vinyl cutter, and 3D printer. Campers will use tools in BADM's brand new Try It Studio.

NEW! 2nd-4th Grade

Maker Camp

Session 1: June 7 – 25, Session 2: June 28 – July 16, Session 3: July 19 – August 6
Make something this summer! This is the ultimate maker camp for BADM's oldest campers. Campers will use tools in BADM's brand new Try It Studio.
