

Bay Area Discovery Museum School Programs

2021-2022

Explore all the ways you can experience BADM's School Programs!

Programs at BADM

Discover-it-Yourself

Self-guided trips to the museum for your students to explore **BADM's 7.5 acres** of **indoor** and **outdoor** space including rotating drop-in programs and our new exhibits: **How Things Work**, **Try it Studio**, and **Gumnut Grove!**

Grades: PreK – 3rd

Group Size: 10-80 students.

Pricing: \$9.95 per child. 1 adult for every 5 students included; additional adults \$9.95 each.

Scholarship Fee: \$5 per child. 1 adult for every 5 students included; additional adults \$5 each.

STEAM Workshops

Bring STEAM to life! These BADM-staff led, hands-on explorations of **STEAM** content encourage risk-taking, collaborative problem solving, and creative thinking. Themes include **Explore the Shore** and **Fairytale Engineering**. Self-guided exploration is included.

Grades: PreK – 3rd

Group Size: Up to 30 students per session, up to 2 sessions per day.

Pricing: \$380/session full fee.

Scholarship Fee: \$230/session.

Science Theater

Dive 'underwater' to meet **Lottie the Otter** and her river friends! This one-of-a-kind playful theater show and workshop explores **ecosystems and environmental science** by supporting students to identify a problem from Lottie's story and helping her design solutions. We'll combine explorations of light and shadow and simple machine through puppetry and maker-minded puppet design. Self-guided exploration is included.

Grades: PreK – 3rd

Group Size: Up to 30 students per session; up to 2 sessions per day.

Programs at your School

Try It Truck

The **Try it Truck** brings BADM to you! With our **outdoor engineering lab** on wheels, PK – 5th graders develop creative problem-solving skills by exploring hands-on design challenges at multiple stations according to their theme:

Group Size: 1 - 2 Classrooms per session. 3 sessions per Try It Truck visit.

Pricing: \$1,300 full fee for 3 sessions, \$900 scholarship fee for 3 sessions.

Virtual Programs

Virtual STEAM Workshops

We use **breakout rooms**, **movement**, and **animated storytelling** to keep students motivated in each engaging workshop. Each student creatively uses materials from their surroundings; no special supplies necessary! Themes include **Fairytales Engineering**, **Bridge Builders**, and **Habitat Helpers**.

Group Size: 8 – 30 students

Pricing: \$195 full fee, \$100 scholarship fee.

Virtual PreK Play Programs

Fun, active, age-appropriate virtual programs use **big body movements**, **silly games**, and **songs** to get your PK students off their seats. Stream us into your classroom to use the workshop as observation time - DRDP guide included!

Group Size: 8 – 30 students

Pricing: \$100 full fee, \$75 scholarship fee.
